muhammad-almuzaahid.web.app | Chandpur, Bangladesh

PROFILE

Software engineer and competitive programmer with 2650+ solved problems since 2017, 3-time ICPC Asia Dhaka Regionalist, NCPC 2023 Finalist, and ICSC 2025 Bronze Honour (top 8% worldwide). Strong in C/C++, DSA, OOP, DBMS and SQL, with three self-built web applications currently deployed and publicly reachable. Comfortable shipping end-to-end: data model, backend, interface and deployment.

TECHNICAL SKILLS

Languages: C, C++ strong; Python and SQL working knowledge; Java, C#, PHP, JavaScript, TypeScript, Dart academic/project exposure
Core Concepts: Data Structures, Algorithms, Object-Oriented Programming, DBMS, Problem Solving, Debugging
Web & App: React, Next.js, Streamlit, Flutter, Django, Bootstrap, HTML/CSS, WordPress, REST APIs
Databases & Cloud: MySQL, PostgreSQL, SQL Server, Oracle basics; Firebase, Firestore, Vercel, Netlify
Tools/Platforms: Git, GitHub, Docker basics, Vite, Jupyter Notebook, Google Colab, Anaconda, LaTeX
Working Style: Problem Solving, Critical Thinking, Writing, Teamwork, Leadership

PROJECTS

Personal Portfolio & Evidence Platform muhammad-almuzaahid.web.app

Technology Used: React 19, TypeScript, Vite, Firebase Hosting, Firestore 2025 – Present

- Built a fully bilingual (English/Bengali) portfolio platform with owner-gated private document areas, a 60+ book reading library, media and reflection journals, and an in-page algorithms playground.
- Wrote a custom 1000+ assertion audit suite that runs in CI and blocks releases on broken links, missing assets, contrast failures and unverifiable claims.

Area 52 — Government Job Tracker live

Technology Used: React, TypeScript, Firebase, Firestore, PWA 2026

- Designed an installable PWA workspace for job applications, recruitment timelines, SMS linking, document storage and BCS exam preparation analytics.
- Implemented owner-controlled access approval, automated backups and a recycle-bin restore path over Firestore.

CF Practice Ladder live | source

Technology Used: Next.js, React, Codeforces API, Vercel 2026

- Built a practice-ladder generator that diffs a learner's solved set against an expert handle and recommends unsolved rated problems, with rating/tag filters and solved-status tracking.

Codeforces Rating Forecaster live | source

Technology Used: Python, Streamlit, Codeforces API 2026

- Published a live rating-forecasting tool for Codeforces contestants, deployed on Streamlit Cloud with the source repository open on GitHub.

Additional projects

- **University Management System** *Technology Used:* PHP, JavaScript, CSS, MySQL. Web-based system covering student information, courses, attendance, grading, payment and administrative modules.
- **Online Parking Management System** *Technology Used:* PHP, MySQL. Database-driven system with user, parking slot, rate, parking record and report modules.
- **Smart To-Do List Application** *Technology Used:* Flutter, Dart, Firebase. Task-management application for creating, organising, and tracking personal work, with Firebase-backed data.
- **Imbalanced Classification Research** (*Machine Learning / IEEE Xplore*): Implemented DASS, a density-adaptive synthetic sampling method, published at STI 2024.
- **Developer utilities** *Technology Used:* Python. Bulk Trash for Google Photos and PNG to Optimized PDF Converter, both open-sourced.

EXPERIENCE

Trust University, Barishal Barishal, Bangladesh

Lecturer, Department of Computer Science and Engineering (Full-time, on-site) Jan 2025 – Jul 2025

- Taught OOP with C++, Microprocessor and Assembly Language, Computer Peripherals and Interfacing, and Cryptography and Data Security.
- Mentored students in programming, thesis/project work, algorithmic problem-solving, and coding workshops.

Fiverr Remote

Independent Seller — WordPress Services (Self-employed) 2020 – 2021

- Scoped, priced and published a seven-gig WordPress service catalogue covering WooCommerce setup, landing pages, site migration and cloning, full site builds, on-page SEO, automated news/blog builds and page-speed optimisation.
- Designed every listing thumbnail personally in Photoshop. The storefront was a self-directed exercise in service design and positioning; it did not convert into meaningful order volume.

CSE Club, PSTU Patuakhali, Bangladesh

Programming Member Jan 2024 – Nov 2024

- Mentored juniors and peers in competitive programming, algorithmic thinking, and contest preparation.

AWARDS AND RECOGNITIONS

Onsite Programming Contest

- **132nd/223** – ICPC Dhaka Regional 2023.
- **243rd/311** – ICPC Dhaka Regional 2025.
- **3rd/68** – PSTU Independence Day 2024.
- **7th/27** – PSTU IT Carnival 2022.
- **15th/38** – Barishal University IT Fest 2023.
- **28th/101** – PSTU IT Carnival 2024 (South Zone).
- **63rd/224** – 7th DRMC Tech Carnival 2024.
- **203rd/307** – ICPC Dhaka Regional 2024.
- **130th/196** – NCPC Finals 2023.
- **2nd** – PSTU Tech Carnival 2021 (Category A).
- **11th/47** – Khulna Regional IUPC 2024.
- **16th/40** – UGV South Zone Contest 2023 (Final).
- **44th/98** – CUET IUPC 2024.

Online Programming Contest and Judges

- **Codeforces**: Pupil, max **1376, 2150+** solved.
- **AtCoder**: rating **456, 140+** solved.
- **LeetCode**: max **1550, 20+** solved.
- **ICSC 2025 Final Round: Bronze Honour**, top **8%**.
- **Meta Hacker Cup 2021** (Round 1) and 2023.
- **CodeChef**: **3 Star**, max **1745, 60+** solved.
- **BeeCrowd**: Top **1%**, **300+** solved.
- **Total**: **2650+** solved problems across online judges.
- **Google Code Jam 2020** and **Kick Start Round C 2020**.
- **4th/48** – SPC Online Round 23.

Scholarships, Awards and Leadership

- **National Undergraduate Mathematics Olympiad**: 4-time awardee: 10th in 2019, 5th in 2023 and 2024, and 4th in 2025.
- **Ankur Undergraduate Scholarship**: Awarded for academic excellence during 2022–2023.
- **Scout Leadership Honors**: President Scout Award 2015 and Community Development Award 2014.
- **Synapse Beginner Intensive Batch 1 — Best Performer Award**: selected unanimously by both instructors (2021).
- **First Position in Chess**, PSTU IT Carnival 2023; Champion, PSTU Intra-University Chess Arena 2023.
- **Associate Member (lifetime), Bangladesh Computer Society** — member ID AM16279, since Jan 2026.

CERTIFICATIONS

- **Cisco Networking Academy**: Getting Started with Packet Tracer, Introduction to Packet Tracer, Exploring Networking with Packet Tracer, Exploring Internet of Things with Packet Tracer.
- **Security**: Cyber Hygiene; Social Media Cyber Security.
- **Programming and data**: HackerRank Problem Solving (Basic); Python 3; SQL; PHP; HTML.
- **Communication**: 10 Minute School Certified Spoken English; PSTU English Proficiency; PSTU Computer Literacy.

EDUCATION

Bangladesh University of Engineering and Technology (BUET) <i>M.Sc. Engg. in Information and Communication Technology (ICT)</i> Current CGPA: 3.583/4.00 ; completed 18 credits of theory coursework; expected completion in 2027 .	Dhaka, Bangladesh May 2025 – 2027 (Expected)
Patuakhali Science and Technology University (PSTU) <i>M.Sc. Engg. in Computer Science and Information Technology (CSIT)</i> CGPA: 3.757/4.00 over 45 credit hours; ranked 4th out of 13 .	Dumki, Patuakhali Jan 2025 – Jun 2026
Patuakhali Science and Technology University (PSTU) <i>B.Sc. Engg. in Computer Science and Engineering</i> CGPA: 3.434/4.00 ; ranked 10th out of 65 .	Dumki, Patuakhali Dec 2018 – Dec 2024
Ispahani Public School and College, Cumilla Cantonment <i>GPA: 4.92/5.00</i>	HSC, Science Jun 2016 – May 2018
Al Amin Academy School & College, Chandpur <i>GPA: 5.00/5.00</i>	SSC, Science Jan 2011 – May 2016

LEADERSHIP, MEMBERSHIPS AND SERVICE

● Associate Member (lifetime), Bangladesh Computer Society	Jan 2026 – Present
● Member, Sakura Science Club — Japan Science and Technology Agency · Shimane University	Feb 2026 – Present
● Member, Math Society, PSTU	Dec 2024 – Present
● Member, Al Amin Academy Alumni Association	Aug 2022 – Present
● Convenor, PSTU Research Society	Mar 2025 – Apr 2025
● Programming Member, CSE Club, PSTU	Jan 2024 – Nov 2024
● Executive Vice President, PSTU Tech Support	Sep 2020 – Apr 2023
● Campus Ambassador, MHF Science Club	Aug 2023 – Oct 2023
● Rover Scout, PSTU Rover Scout Group — Rover & Girl-in-Rover Unit-2	2022 – 2023
